

2022

TRENDS

**Great Tech to Start the New Year With**

Make the most of 2022 by upgrading your technology. Whether you're working at home, in the office or on the couch these new tech pieces will keep you excited to log in day after day.

Clockwise from Left: Full color wireless mouse, McMic desktop microphone, Anker® Qi wireless charger, BL Club 950NC adaptive noise canceling wireless headphones and the eco-friendly Rocketbook Flip Capsule Set to take notes without paper.

### Desktop Essentials

There is something inspiring about cracking open a fresh new journal.

Clockwise from Left: Ember smart warming mug to keep your coffee the perfect temperature, durable kraft waterproof 5" x 7" notebook, the all you need wireless charging stand, bamboo ballpoint pen and a 3-piece desktop organizer set.

### West Coast Best Coast

We may be a little bias when it comes to loving the west coast, but whether you are on the west coast, east coast or no coast at all you can still keep the outdoors and fresh air vibe with these Pacific Northwest staples.

Products Left to Right: Eddie Bauer® Woodland fleece lined shacket, the PHOOZY a climate-proof, drop-proof and sink-proof phone case, a Field & Co. computer rucksack backpack, The North Face® acrylic pom beanie and a Perka® 24oz vacuum insulated cup that gives back through Shelter to Soldier™, matching rescue dog service animals with veterans in need.

### Taking a Trip to the Farmer's Market

There is something perfect about the Saturday morning farmer's market run.

Products Left to Right: The North Face® Sweater Fleece Jacket made of recycled fabrics, recycled cotton tote with front pocket, super soft Roots 73™ knit beanie and 20oz CamelBak® insulated tumbler.

### Everything You Need to Make Your Home Feel Like a Staycation

We're all still spending so much time at home so why not make the home more of a sanctuary.

Clockwise from Left: RPet sherpa blanket made of 100% recycled polyester sherpa lining, Ultrasonic oil diffuser in a faux wood finish, La Cuisine acacia wood charcuterie board and bamboo serving tray.

### Self Care is One of the Most Important Things

Taking time for yourself and self care supports your overall well-being. It helps you feel more well-rested, energized and perform your best. Whether you have 5 minutes or 150 minutes a little self care goes a long way.

Clockwise from Left: A four piece spa gift box, unisex plush microfleece robe, the R&R gift set with eye mask and sound machine, set of four essential oil scented bath salts and a stone roller.

### Winter Days Are Made For Staying Cozy

When the days are cold and short on daylight hours, it's time to snuggle up and stay cozy inside.

Clockwise from Left: Moleskine® watercolor pencil and sketchbook art set, unisex plush wearable blanket with sherpa lining, 12oz vacuum insulated mug with lid, Made\*Here basketweave blanket and tentree sweatpants.

**The Pantone® Color of the Year is Very Peri**

According to Pantone® this color combines the trust, vision and perspectiveness of the blue family with the creative and imaginative expressions of the violet family. A perfect color to keep things in perspective during such an unprecedented time of change.

Products Left to Right: 9.5oz Colorblast Pullover, tri-blend unisex t-shirt, sustainable wheat straw pen, custom 5" x 7" full color bound journal with graph paper interior and a cotton beach bag.

### Pastels & Muted Colors

During stressful and chaotic times people are drawn to calming and relaxing colors to help offset their surroundings. Enter the resurgence of pastels.

Clockwise from Left: RFID card case made of wheat straw, 8.3oz boxy hoodie, 20.9oz copper lined vacuum insulated tumbler, Sami Cooler Tote made of recycled laminated nonwoven material and a 100% acrylic knit beanie.

### Neutral Color Palette

The LBD in the color world, this staple is anything but boring. Neutral colors are gender neutral, they go with everything, are clean & crisp yet can be edgy and new.

Clockwise from Top Left: Acrylic cable knit scarf, 5" x 8" bound journal, 16.9oz copper lined vacuum insulated thermal tumblers, ladies Cutter & Buck Sweater-Knit Vest and Basecamp travelers laptop backpack that helps to support Wounded Warrior Project's mission to honor and empower wounded warriors with every purchase.
